## Disuse Certificate

### 禁用保证

We certify that any products, components, units, or other items (Including attachments, packaging materials, and other items procured by our company) to be delivered from our company to customer do not contain any of the specified hazardous substances included in the hazardous substances specified in RoHS Directive 2011/65/EU (RoHS 2.0) at any time.

我们保证在任何时候我们公司发往顾客的任何产品、元件、部件以及其它物料，包括附加装置、包装材料以及其它物料，不含有 RoHS 指令 2011/65/EU (RoHS 2.0) 的有害物质。

In addition, We provide the third party 's Hazardous Substances free certificate (e.g.: SGS test certificate) 同时提供第三方的有害物质检测报告(譬如 SGS 检测报告)作为证据。

Target hazardous substances / 有害物质

Refer to the RoHS Directive 2011/65/EU (RoHS 2.0)

参阅 RoHS 指令 2011/65/EU (RoHS 2.0)

Future action / 未来行动

If the Directive is revised to be stricter and the extent of the products, components, units, or other items we deliver to customer will begin to contain one or more of the hazardous substances, we shall notify you within two weeks after the Directive is revised.

如果这一指令修改得更严格，涉及到我们公司发往顾客的任何产品、元件、部件以及其它物料并且将开始包含这些有害物质中的一种或几种，我们将会指令修改后两周内通知贵公司。

If our newly developed products or other items are likely to use one or more of the hazardous substances, we shall notify you in writing before we actually use the substance(s). If our products are not compliant with RoHS Directive 2011/65/EU (RoHS 2.0) and this noncompliance costs our customers, we will take the related responsibilities and be responsible for the related compensations. The compensations will be determined between both parities in friendly way. If an agreement of compensation can not be reached between both parties, the matter will be brought to court then.

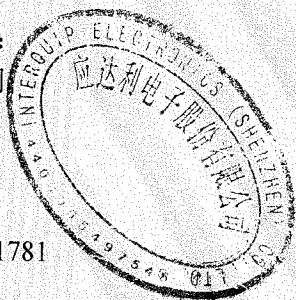

如果我们新开发的产品或其它物料中可能会使用这些有害物质中的一种或几种，我们将会在使用这些物质之前通知贵公司。如果因为我们的产品不符合 RoHS 指令 2011/65/EU (RoHS 2.0) 要求而使客户蒙受损失，本公司愿意承担相应的责任和赔偿。赔偿原则：赔偿以友好协商为第一步，如协商不成，以法院判决为准。
